FY22 Minigrant Program Arts Project Guidelines

The Minigrant program is a partnership between the Michigan Council for Arts and Cultural Affairs and Regional Services Agencies throughout the state within fifteen (15) regions determined by county(ies). The Arts Projects Minigrant program is a competitive grant program that provides support for production, presentation and creation of arts and culture that promotes public engagement, diverse and excellent art, lifelong learning in the arts, and the strengthening or livability of communities through locally developed arts and culture.

These projects connect communities with the world by exploring, sharing and supporting creative expression, and by doing, so they promote the health and well-being of communities and citizens throughout our state. Grantee Responsibilities and Requirements

Eligibility

Michigan registered nonprofit arts and cultural organizations incorporated, and physically located, in the state of Michigan, municipality, or registered preK-12 educational institution are eligible to apply. Organizations must ensure no part of net earnings benefit a private individual. Donations to the organizations must be allowable as a charitable contribution under section 170c of the Internal Revenue Code of 1954 as amended. (Organizations with status under Section 501(c)(3) of the IRS Code and local Units of Government meet these criteria.).

Any applicant that has unmet obligations on current grant agreements, such as overdue or incomplete reports or other significant problems, is not eligible to apply for future funding. If any applicant fails to meet MCACA requirements on a current grant agreement, their pending application will be removed from the review process. If any applicant fails to meet MCACA requirements on a current grant, following Council approval on a FY21 application, the newly approved grant will be rescinded. Auxiliary support organizations (i.e. friends of xyz), colleges and universities may not apply in this grant program. Federal and State of Michigan agencies, divisions or departments are not eligible to apply for funding from MCACA.

Funding

Minigrant Arts Projects recipients are required to make a minimum 1:1 cash and/or in-kind match. State funds may not be used as matching funds. Any additional matching funds, over and above the required cash match, may include other cash, earned revenue, contributions, and "in-kind" funds which represent a reasonable value of services, materials, and equipment, as allowed under Federal Internal Revenue Service code for charitable contributions. Also, there are certain expenses that may occur during the project year that should not appear on the itemization. See application budget instructions for complete details.

Grantees must sign a grant agreement detailing terms for the use of Council funds. Please note that the grant agreement will detail the scope of work and the payment schedule. MCACA budget requires applicants

to list full project expenses and revenue to balance expenses.

Accessibility

MCACA strives to make the arts accessible to all people and this is a priority of its funding programs. Funded organizations agree to make every attempt to ensure that programs are accessible to persons with disabilities. According to state and federal law, every publicly funded organization must place itself in the position of being able to provide accommodations when persons with disabilities make requests for services. For a list of resources on accessibility, visit <http://arts.gov/accessibility/accessibility-resources/nea-office-accessibility>.

The Fine Print

Receipt of state and federal grants carries with it certain obligations and responsibilities. By submitting a Michigan Council for Arts and Cultural Affairs (MCACA) grant application, applicants are affirming that they are familiar with the requirements of MCACA, and that they will comply with those requirements.

Grantees should use cost accounting principles which comply with requirements as set forth in 2 CFR Chapter, I, Chapter II part 200 Uniform Administrative Requirements, Cost, Principals, and Audit Requirements for Federal Awards*. This new guidance, commonly called the Omni Circular, Super Circular or Uniform Guidance, replaces A-87 Cost Principals – State and Local Governments, A-122 Cost Principals - Nonprofit organizations, A-89 catalog of Domestic Assistance, A-102 Administrative Rules State and Local Governments, A-133 & A-50 Audit Rules. It is important to note that for grant recipients the change from the previous federal standards (like A-87 & A-133) to the OMNI circular formally went in to effect December 26, 2014, and applies to MCACA grants awarded after 7/1/2016.

* All references to the “Omni Circular” refer to the “Office of Management and Budget 2 CFR Chapter 1 & 2 Part 200, 215, 220, 225 and 230 – Uniform Administrative Requirements, Cost Principals, and Audit Requirements for Federal Awards” dated 12/26/13, <http://www.gpo.gov/fdsys/pkg/FR-2013-12-26/pdf/2013-30465.pdf>

Since MCACA receives funding from the NEA (CFDA 45.025), organizations receiving funding from the MCACA must, in turn, comply with the requirements outlined in the NEA’s General Terms and Conditions <https://www.arts.gov/sites/default/files/2015-general-terms-and-conditions-for-partnership.pdf>).

The Grantee shall otherwise be in compliance at all times with all applicable federal laws, regulations, rules and orders including, but not limited to Title VI of the Civil Rights Act of 1964, 42 USC 2000d et seq.; Executive Order 13166; Title IX of the Education Amendments of 1972, 20 USC 1681 et seq.; Section 504 of the Rehabilitation Act of 1973, 29 USC 701 et seq.; the Age Discrimination Act of 1975, 42 USC 6101 et seq.; the National Environmental Policy Act (NEPA) of 1969, 42 USC 4321 et seq.; the National Historic Preservation Act (NHPA) of 1966, 16 USC 470 et seq.; the Drug Free Workplace Act of 1988, 41 USC 701 et seq.; Lobbying restrictions, 18 USC 1913, 2 CFR 200.450, and 31 USC 1352; Davis-Bacon and Related Acts; the Native American Graves Protection and Repatriation Act of 1990, 25 USC 3001 et seq.; the U.S. Constitution Education Program, P.L. 108-447, Division J, Sec. 111(b); and the prohibition on funding to ACORN, P.L. 111-88, Sec. 427.”

Grantees must assure the Council that professional performers and/or related or supporting personnel employed in projects funded by the Council shall not receive less than the prevailing minimum compensation as determined by the Secretary of Labor. Labor standards set out in Part 505 (29CFR) "Labor Standards on Projects or Productions Assisted by Grants from the National Endowment for the Arts." In addition, grantees must assure the Council that no part of projects funded by the Council will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of employees engaged in such projects.

Consistent with Public Law 101-512, when purchasing equipment and products under a Council grant, grantees are encouraged to purchase American-made equipment and products.

Grantees are required to comply with requirements regarding debarment and suspension in Subpart C of 2 CFR 180, as adopted by the National Endowment for the Arts in 2 CFR 32.3254. Grantees are required to execute projects and/or productions in accordance with the above noted requirements, certifying that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Grantees are prohibited from conducting general political lobbying, as defined in relevant statutes, regulations and OMB circular within a Council funded project.

Travel outside the United States, its territories, Mexico and Canada not identified in the grant application must be specifically approved in writing by the Council before travel is undertaken. Such travel, if approved, must comply with applicable state and federal regulations.

According to section 11 of your Grant Agreement, Council support must be credited and included in all publicity, media materials, on your website and during each broadcast promotion of the activity. MCACA credit should read: **"This activity is supported in part by the Michigan Council for Arts and Cultural Affairs."**

Grantees must submit, in a Council supplied format, a final report. The final report must include a narrative summary of outcomes, detailed financial statement, and publicity materials from the activity (i.e. publication materials, photographs and news stories). Selected grantees may also be required to submit an interim report.

Grantees are required to keep on file and make available upon request the following support documentation: A list of dates and amounts of all grant payments received; documentation of all expenditures made using grant funds and matching funds, including copies of paid invoices, receipts, timesheets, payroll records, and tax withholding reports. Documentation of in-kind donations should include volunteer work schedules, copies of receipts given to donors for in-kind donations, an explanation of how the value of each donation was determined, or other supporting documentation.

Each application to the MCACA is reviewed by a panel in order to determine the appropriateness of state support to the applicant. Review criteria are used in two ways:

1. To assist the applicant in preparing the grant application narrative by establishing, through the criteria, how panel reviewers will judge the application.
2. To assist reviewers by outlining for them what MCACA expects from a successful applicant and weighting each criteria based on Council goals and priorities.

For the proposal narrative, refer to the Review Criteria as an outline and guide to describe the grant activities you wish supported. Address each numbered Review Criteria in order. Remember that panelists score applications based on the completeness of your answers to each Review Criteria, and some criteria are worth more points than others.
